Murcia

Active learning

All advantages at a glance.

The Soloplan Academy is the perfect opportunity for both beginners and experienced users to further optimise the use of our logistics software.

In our modern training rooms in the branch offices Kempten, Dresden, Johannesburg and Murcia, you can learn the basics of CarLo® and get many tips and tricks for the daily use:

- **Optimal seminar offer** adjusted to the respective knowledge level
- Coordinated courses that build up on each other for **beginners** and **experts**
- **Active learning** on the PC with practical examples and individual training stations
- **Training rooms with state-of-the-art technology** and current **training software**
- **Training experts** with practical experience and solution-oriented thinking as well as a lot of **empathy**
- Seminar-accompanying **training documents**
- **Exchange of experience** among CarLo® users

Webinar offer

Our Web-based online conferences.

Free webinar series of the Soloplan digitalisation initiative

You are looking for useful and helpful information regarding the use of our TMS CarLo®? In our free webinar series, we show you twice a month how you can get even more out of our software solution. Our webinars deal with different topics regarding digitalisation in transport management. Attend them comfortably online and get 60 minutes of tips and tricks for the application of CarLo® as well as targeted answers to your individual questions. Try it out—it's worth it!

GO DIGITAL

In this webinar series, both the general functionalities of our logistics software and the new developments of the respective add-ons are discussed in detail.

CarLo® Optimisation

This webinar series caters specifically to key users, administrators and major customers: Along with configuration details, we also deal with layout optimisation for improved performance and simpler work. Typical problems and incorrect configurations are discussed. Other planned webinar topics are the use of filters, interfaces, automatisms and the layout editor.

You can find webinar dates under
www.soloplan.com/news-dates/webinars/
or via the QR code.

Seminar offer

All of the information in an overview.

As an Academy participant, you complete each of your **standard seminars** with a certificate.

You need to take a test and pass it successfully to receive the certificate. It allows you to participate in advanced **expert seminars**.

In the expert seminars, both the basic knowledge is expanded upon and further workflow options are discussed. We offer expert seminars to deepen your knowledge in the topics of planning, calculation, statistics and OCR.

To take part in the expert seminars, you need to have good or excellent skills in the programme or have successfully taken part in the 3-day standard seminar.

In the premium service packages of the respective software programmes, the following service is included per year for one participant: a three-day CarLo® standard seminar or a two-day CarLo® expert seminar.

You can find seminar dates under www.soloplan.com/news-dates/academy/ or via the QR code.

CarLo®

Three-day seminar for new customers

- Basics and CarLo® “language”
- Clients and organisation
- User and role management
- Business partner, staff and fleet master data
- Order entry
- Planning including resource usage plan
- Calculation and invoicing
- Statistics
- Practical exercises to deepen your knowledge

Attendance is **exclusive to new Soloplan customers** who have not yet started with the basic CarLo® training.

You can sign up for this seminar directly with your Customer Solution Manager.

Seminar fee **900 EUR***

*All quoted prices are **net prices per person**—
as of 12/2022—and include lunch and training documents.
The seminar contents are determined together
at the beginning of the course.

**Use your voucher*
to sign up for free!**

***One voucher per customer and year within the scope
of the premium software maintenance contract.**

bigBOX ALLGÄU

Early-bird special

Soloplan box at the bigBOX–let us entertain you.

With the “early-bird special”, you can secure the best seats not only for the Soloplan Academy!

We offer the first six participants who sign up for each seminar the possibility to take part in an evening event at the bigBOX Kempten–**free of charge**. The order in which we receive the registrations applies.

Relax in the extensive chill-out area after an informative seminar day and enjoy the end of the day as one of the **six VIPs** in the exclusive **Soloplan box**.

The bigBOX ALLGÄU is the event venue with the biggest variety of programmes in the Allgäu region.

It offers its guests an incomparably diverse programme: concerts, musicals, shows, comedy, theatre and cabaret–something for every taste!

We would like to welcome you as guests and are looking forward to your participation!

Possible hospitality and driving costs are **not** included.

Only applies for seminars at the location in Kempten, Germany.

You can find all bigBOX events by scanning the QR code:

In 124 rooms of the categories S to XL, the bigBOX ALLGÄU Hotel (built in 2013) offers comfortable 4-star accommodations for the entire family and the modern business traveller. Everyone can feel at home in the modern, “musical” environment, which includes a gym.

The restaurant musics in the bigBOX ALLGÄU Hotel serves its guests seasonally changing international and regional dishes. The menu of musics is creative and artful, which you can also experience during numerous culinary events. You can find the food and beverage menus here:
www.bigboxallgaeu.de/restaurant-musics.

www.bigboxallgaeu.de/hotel

Participation conditions

GTCs as of 10/2023

for seminars at Soloplan GmbH, Software for logistics and planning, hereafter referred to as Soloplan GmbH:

1. Scope

These conditions for participation apply for public seminars at Soloplan GmbH in Kempten and at Soloplan GmbH's national and international branch offices. On-site user trainings on the customer's premises remain unaffected by this.

2. Registration

2.1 Registration for a seminar needs to be made in writing, electronically via the Soloplan GmbH website or by fax, including the name of a contact person and the names of the participants. As the number of participants is limited for each seminar, the registrations are processed and accepted based on the order of their receipt.

2.2 By registering for a seminar, the participant agrees to the present conditions of participation.

2.3 The contact person will then receive a confirmation, including information on seminar schedules, seminar fees, as well as additional notes, if necessary.

2.4 If the contact person does not receive a confirmation within one calendar week, Soloplan GmbH must be notified accordingly.

3. Cancellation/change of reservation

3.1 Cancellation is free of charge up to 14 workdays before the start of the seminar.

3.2 If a reservation is changed or cancelled up to 7 workdays before the start of the seminar, 50% of the total seminar fees as well as a processing fee of 50 euros will be charged.

3.3 If a reservation is changed or cancelled up to 3 workdays before the start of the seminar, 100% of the total seminar fees as well as a processing fee of 50 euros will be charged.

3.4 Should Soloplan GmbH need to cancel a seminar, you will be reimbursed for all seminar fees paid. This results in no further entitlement to damages. We give no guarantee that seminars will be carried out.

3.5 In the case described under 3.4, you can change your reservation free of charge.

3.6 Naming of a replacement for the participants mentioned under 2.1 is possible at all times.

3.7 The reservation for a seminar can only be changed once. For any additional alteration, you will be charged 100% of the seminar fees plus a processing fee of 50 euros.

4. Fees

4.1 The seminar fees are indicated in € and apply per participant.

4.2 The seminar fees include all seminar documents as well as food and beverages provided to the participant during the seminar.

4.3 The seminar fees are exclusive of statutory value-added tax.

4.4 The seminar fees indicated are without engagement.

4.5 Partial participation in or early leaving of the seminar by the participant does not entitle the participant to a reduction in seminar fees.

4.6 The seminar fees need to have been credited to Soloplan GmbH's account 14 days prior to the beginning of the seminar at the latest.

4.7 The seminar offer is only valid for the current year and does not apply to the following year.

5. Seminar topics

5.1 The seminar topics are described in more detail in the seminar overview and are binding for the participant.

5.2 For reasons of long-term planning, Soloplan GmbH reserves the right to marginally modify the seminar topics described in the seminar overview.

5.3 The seminar topics have been structured in a way that attentive participants can reach the seminar goal under the conditions stated in the seminar schedule. Soloplan assumes no liability for the success of the participants.

5.4 The participant must contribute to the seminar.

5.5 Participants must not bring personal storage devices to or use such devices during the seminars.

5.6 Participants have no claim or right to any of the electronic data produced during the seminar.

5.7 The exact training schedules can be found in the registration confirmation.

5.8 Seminars consist of multiple parts and usually take several days. Due to relations and connections concerning content, it is not possible to only attend parts of a seminar.

6. Copyright

6.1 Soloplan GmbH reserves all rights to the documents provided during the seminars.

Any processing – electronic processing included – is prohibited.

6.2 Participants are liable for any damage resulting from them passing on seminar documents without the written consent of Soloplan GmbH.

6.3 Soloplan GmbH assumes no liability that the products or methods mentioned during the seminars are free of third-party property rights.

7. Programme versions

7.1 For training purposes, participants will also work independently on computers for some time during the seminars.

7.2 For the seminars, Soloplan GmbH always uses the latest programme version available.

7.3 The programme features covered during the seminar may include features that are not part of the software's standard scope.

7.4 Due to different programme versions and the varying scope of the software installed at the customer's premises, we cannot guarantee that the participants will be able to use the knowledge about features and methods gathered during the seminars exactly as explained to them at their own place of work.

8. Data protection

Soloplan GmbH stores and processes the personal data from the registration only within the framework of the applicable data protection regulations.

9. Liability

Soloplan GmbH's liability is limited to grossly negligent or wilful acts of their employees.

10. Place of fulfilment

The place of fulfilment are the respective company premises where the Academy takes place. If no exact specification is made, the place of fulfilment is Kempten/Allgäu.

11. Miscellaneous

For all legal relationships between the participant and Soloplan, solely the law of the Federal Republic of Germany shall apply; in particular, the UN Convention on Contracts for the International Sale of Goods (CISG) shall not apply. It is clarified that this choice of law is also to be understood as such in the sense of Article 14, section 1 b) of Regulation (EC) No 864/2007 and shall thus also apply to non-contractual claims in the sense of this regulation. If, in individual cases, foreign law must mandatorily be applied, these GTCs are to be laid out in a way that the economic purpose they pursue is adhered to as far as possible.
